## A LITTLE BIT ABOUT GOOD INSPIRATION

Three years ago, my life dramatically changed when my mother was diagnosed with a rare form of cancer. I stepped away from design and focused on her. Four months after she “graduated” {passed}, my father went into the hospital to get a stronger antibiotic for some pneumonia and ended up staying! I spent 60 days and nights with him in the hospital due to a host of complications. This extended stay dramatically changed me in so many ways, and made me rethink how I want to use my life and talents **to be the means of much good** unto this generation.

THE BULK OF MY DESIGNS WILL **NOW BE OFFERED FREELY**, SO THEY CAN BE A SOURCE OF GOOD INFORMATION AND INSPIRATION TO AS MANY PEOPLE AS POSSIBLE. As I now care for my father, I will try and post new content as often as I can to bless you in your callings as leaders, teachers and parents. Thank you for coming to Good Inspiration. I hope this site does just that, inspires you!

Much love, April

## NEW FREE OFFERING . . .

COME, FOLLOW ME

**LEADER READER KITS** / You gather your family around your computer to have additional engagement in your CFM study with the help of the Leader Reader PDF kits! These kits work like PowerPoints. As you scroll through them together, you have different PROMPTS, QUESTIONS and ACTIVITIES that you are invited to do as a family, which then creates more engagement with one another. Leaders and teachers can also email these pdf kits out to those they preside over or teach, to help keep their connections strong and to assist them in their family Home-Centered Come, Follow Me studies. **FEEL FREE TO SHARE** these kits with all in your circle of influence!

**Leader Reader Kits** come with free printables (such as this file here), to enrich the teaching but they are optional. We do love the idea though of using the thematic printables to decorate your homes with, so as to help extend and really focus on the gospel topic you are studying!

GOOD INSPIRATION . NET and SORBONNE DESIGN GIVE PERMISSION FOR THIS KIT TO BE PRINTED. THE IDEAS AND DESIGNS IN THIS KIT ARE THE INTELLECTUAL PROPERTY OF SORBONNE DESIGN AND MAY NOT BE COPIED OR SOLD. © 2020
